

Science Pathways of Studies

Exploration

Designed for students who wish to explore science with real-world based problems.

9th Physical Science

10th Biology Environmental

11th Environmental Chemistry

12th Elective of Choice

Natural Disasters
Practical Chemistry
Ecology
Biotechnology
Engineering Technology
Engineering and Design

Physics
Honors Anatomy & Physiology

Traditional

Designed for students who wish to expand their understanding of science through inquiry.

9th Physical Science

10th Chemistry

11th Biology Environmental Biology Molecular

12th Elective of Choice

Natural Disasters & Ecology Biotechnology & Practical Chemistry

OR

Engineering Technology & Engineering and Design

OR

Honors Environmental Science
Honors Anatomy & Physiology
Physics

STEM Career

Designed for student who are focused on a STEM based career.

9th Physical Science

10th Honors Chemistry

Please see the outline of all possible STEM career pathways at bit.ly/STEMcareerEHS

There are Honors, AP, and Dual Enrollment choices.

These are only suggested pathways.
